AAP experience DENVER 2025
National Conference & Exhibition
SEPTEMBER 26–30

MADE IN COLORADO MARKETPLACE

Discover the Made in Colorado Marketplace, featuring a curated selection of products crafted by local small businesses. From handmade goods and artisanal foods to unique gifts and home décor, every item reflects the creativity and spirit of Colorado. It's the perfect place to shop local, support independent makers. Marketplace visitors will have the chance to **WIN** a curated prize package featuring products created by the vendors.

ABSTRACT DENVER

Abstract Denver is a well-known and respected streetwear brand in Denver. They create "wearable stories" through clothing and accessories (unique graphic tees, art prints, and socks) inspired by local art, culture, and community.

ATHENASTIRS

Where art meets fashion in the kitchen for grand tastings across generations. Perfect for the kitchen, garden, or at the craft table! Our aprons can handle your messiest projects and make clean up easy.

BUENA VISTA GOODS

With inspiration coming from desert scenery and calming serene sunsets, visitors can find a wide range of goods. These include upcycled and altered clothing along with handmade jewelry and vintage watches.

COLORADO COCOA POD

With foundations at a small chocolate shop, it was founded to create beautiful & delicious Asian inspired bonbons that are never too pretty to eat!

COLORADO THREADS

This eco-smart brand is passionate about lowering the environmental impact of clothing production and consumption while continuing to create high-quality recycled polyester fabrics. Escape the everyday with Colorado Threads.

DUENDES TEJIDOS

A sister-owned local business that creates woven and beaded art handmade with passion. From stunning and vibrant jewelry to cozy knitwear perfect for the colder months, one can find something for any occasion.

HERITAGE & BLOOM

An accessories brand dedicated to empowering women to embrace their unique stories through thoughtful and approachable designs. Their product line includes handcrafted jewelry, ceramics, and headwraps.

HEY, ALISSANDRA

A local artist specializing in playful and cheeky lettering full of honesty, sincerity, and a little sass. Each piece features words and images that are crafted from scratch to give them unique flair.

HOMESTEAD IN THE HOOD

An urban beekeeping venture specializing in local honey from neighborhood bees. They are a husband and wife duo with products including honey and beeswax items, available online and at local markets.

KU CHA HOUSE OF TEA

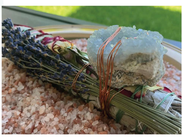
A specialty tea retail shop serving Rocky Mountain region since 2005. They carry approximately 170 whole-leaf teas with focus on classic, single-origin teas. Ku cha means "bitter tea" in Chinese.

MY MOMOTARO

Handmade products from Latin America such as Ponchos, llama keychain, stuffies made with alpaca fur, embroidered belts & hats. All of their pieces are made with love in the Andes.

RESONATING DESIGNS

Handmade small batch jewelry made from multiple mediums such as clay, resin, and beads. These exciting designs are sure to catch attention and bring any outfit to life through the perfect accessory.



ROCKY MOUNTAIN HIGH VIBRATIONAL ARTS

Handmade in Colorado, these bundles are comprised of ethically sourced sage, crystals, and other materials to create high vibrational alter pieces that enhance your ritual.

VBRTN

A wide range of products created by hand using real flowers inlayed in items ranging from purses, to phone cases, to cupcake stands.
